Serving Our Members for 60 Years

President's Column by Rob
Alexander

Every five years or so, the Executive Board takes the time to review the Clubs By-Laws to ensure that they concur with the direction the Club is heading and vice versa. This issue of the newsletter will serve to indicate to the membership the proposed revisions to the existing By-Laws.

[Editor's note: The By-Laws may be viewed and/or downloaded from the Club Website: WWW.PSCNH.COM]

The By-Laws, last revised in 2001, contain very clear directions regarding the procedure for making By-Laws additions and revisions. This newsletter is the prescribed notice to the membership of the vote to be taken on Thursday, March 15th at 7:00 PM at the clubhouse on these proposals from your E Board.

The E board has identified several revisions and several typographical or grammatical corrections in the existing By-laws. Where the typo/grammar changes may affect meaning, they are highlighted as changes. All of the proposed intent affecting changes are identified with [brackets] and **bold type** and restated in the proposed new form. All proposed changes are offered as individual components, that is, each proposal is on its' own. Therefore, there exist 20 separate proposals being made. EACH proposal must be passed on its' own, as is (no changes allowed at this meeting) or IT fails. This procedure will be explained again at the meeting.

The membership is urged to attend this first general membership meeting of 2007.

The membership will have the opportunity to pick up their new membership badge and 2007 gate/clubhouse key on Saturday and Sunday, February 17 & 18 and 24 & 25, from 10 am to 2 pm at the club. These items will not be mailed this year in an attempt to save a substantial expense. The gate and clubhouse locks are scheduled to be changed the early part of March, 2007. Please call Rob Alexander at 924-3996 with any questions.
